Hi Anthony.

I have asked Lawrence for a copy of the document sent to the contractor who ran the panel peer review. I should have it by COB and will send it along then.

All the best,  
Carolina

So, we have a peer-reviewed draft. I assume it would be withheld in entirety, but I'd still need to have it for the FOIA record. Can you send me the draft that underwent the review?

Rebecca

Okay,,,the answer is,,,,,, The CRA guidelines underwent a panel peer review this summer that is now being reviewed internally for publication in 2022.

Hi, Anthony,

According to the EPA website, OSA (OSAPE) is involved in drafting this RAF guidelines document. Is there a peer-reviewed draft of it, at this stage?
